AMGEN[®]

OUR US LOCATIONS

Our corporate headquarters is located along the Southern California coast between Santa Monica and Santa Barbara (40 miles west of Los Angeles). In addition, we have facilities or subsidiaries in the following locations:

- California (South San Francisco, Thousand Oaks)
- Massachusetts (Cambridge)
- Puerto Rico (Juncos)
- Rhode Island (West Greenwich)
- Washington, D.C.

For more information or to apply, please visit careers.amgen.com and search “internship”

When you participate in our Research and Development internship program, you'll gain valuable hands-on project experience under the guidance of an R&D Manager, receive competitive compensation and housing benefits (for eligible candidates), take part in executive networking events and social networking events, participate in community volunteer project opportunities, enjoy access to our on-site fitness center and much more.

Regularly recognized as a “Best Place to Work,” Amgen enables staff to chart their own career paths based on their unique talents by offering challenging assignments, active career development, coaching and individual rewards.

At Amgen, we're committed to providing rewarding careers with opportunities that make a meaningful impact at work—and beyond.
