

CAREER MENTORING OF
UNDERREPRESENTED
STEM STUDENTS FOR THE
PROFESSORIATE

Faculty Mentors Needed

Are you interested in helping a future STEM professor?

CNAS is launching CUSP, a new initiative to provide mentoring and career development to CNAS doctoral candidates who are interested in becoming professors and are from groups underrepresented in STEM.

Faculty from all STEM fields are welcome (e.g., CNAS, BCOE, SOM, CHASS). Mentors will receive a small research stipend.

Mentor Applications due December 1, 2020
