ATTENTION STEM STUDENTS:

The College of Natural & Agricultural Sciences (CNAS) at UC Riverside is home to world-renowned scholars pursuing research that deepens our knowledge of the universe we live in and improves the quality of life for inhabitants of the state, the nation, and the world. Central to this research is educating the students who come to CNAS to learn science, and who leave with an integrated grasp of how they can change the world. CNAS's 13 departments encompass the life, physical, mathematical, and agricultural sciences.

To learn more about the sciences at UCR, join us at the 8:30 a.m. CNAS Info Session and the 9:30 a.m. CNAS Alumni Panel at Discover UCR Day on Saturday, October 22, 2022.

For more information about STEM at UC Riverside's College of Natural & Agricultural Sciences visit cnas.ucr.edu.

COLLEGE INFORMATION SESSIONS

Speak with department representatives from many of UCR's colleges and schools and discover what they offer.

■ College of Humanities, Arts and Social Sciences (CHASS)

UNLH (University Lecture Hall)

CHASS combines the arts, humanities, and social sciences into one college. This structure gives students the opportunity to explore across a broad range of disciplines and examine diverse dimensions of social and historical life and human meaning. Learn more about CHASS' academic programs and services.

■ College of Natural and Agricultural Sciences (CNAS)

Student Success Center 229

CNAS combines life sciences, physical sciences, mathematical sciences, and agricultural sciences into one college. The result is a vibrant culture that encourages interdisciplinary coursework and undergraduate research. Learn more about "the CNAS advantage" during this presentation.

■ Marlan and Rosemary Bourns College of Engineering (BCOE)

Student Success Center 329

BCOE teaches students to meet the challenges and solve the problems of our increasingly technological society. Learn about what it means to be an engineer and how Bourns can get you there.

■ School of Business • Highlander Student Union 355

UCR's School of Business houses Southern California's oldest and most comprehensive UC business administration program. This session summarizes the program and outlines how we help students succeed. Learn more about obtaining a UCR business degree.

■ School of Education (SOE) • Highlander Student Union 269

GSOE offers an exciting undergraduate major, Education, Society, and Human Development — which allows undergraduate students to study, research, and serve the U.S. educational system alongside world-class faculty. Explore how education is an important tool to transform ourselves, our communities, and our society.

■ School of Public Policy (SPP) • Highlander Student Union 260

SPP's mission is to train a new generation of forward-thinking public policy leaders equipped to address the complex, interrelated challenges of poverty, disease, illiteracy, climate change, energy security, pollution, and more. Learn more about SPP's motto: "Solutions for the region, solutions for the world."

Multiple Sessions Available

PRESENTATIONS + WORKSHOPS

Interact with staff and current UCR students and hear what they have to share about the whole UCR experience.

■ UCR Student Panel

9:30 and 11:30AM • Student Success Center 329

Get insight from a panel of current UCR students about their experiences and get advice about how to create the most fulfilling college experience.

■ Admissions Presentation (First-Year)
