**S**TEM STUDENTS FOR THE  
**P**ROFESSORIATE

**Are you interested in helping a  
future STEM professor from an  
underrepresented group?**

## **Mentors Needed**

CNAS is launching CUSP, a new initiative to provide mentoring and career development to CNAS doctoral candidates from groups underrepresented in STEM and who are interested in becoming professors.

Faculty from all STEM fields are welcome (e.g., CNAS, BCOE, SOM, CHASS).  
Mentors will receive a small research stipend.

Mentor Applications due December 1, 2020
